Sacred Bamboo Spandex

CONSCIOUS
CLOTHING

COLLECTION 2026

Experience...

the luxurious comfort & moisture wicking abilities of sustainable Bamboo Spandex!

African Goddess Curated proudly presents our Bamboo Spandex Conscious Clothing range.

Lovingly handmade in the rolling valleys of A Thousand Hills, KZN, our growing collection has been designed with sustainability and your health in mind. Bamboo is celebrated for its moisture wicking abilities and is soft and eco-friendly.

The rise of fast fashion has seen an exponential use of Nylon and Polyester which releases nano & microplastics through the skin. Our range is 95% bamboo, greatly reducing associated health risks.

Our Conscious Clothing range is comfortable & versatile. Perfect for the yoga studio or lounging at home, stylish enough for a shopping trip and adaptable enough to glam up with our Body Adornments for a night out!

We invite you to explore the range...
